PASTOR TO PERSON
“And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.” Acts 16:25

We read about Paul and Silas spontaneously praising God, yet, in the previous verses they were beaten and imprisoned. Is that possible? Maybe the Holy Spirit was working in their hearts. But oftentimes our most meaningful ministries can have the least significant impact on the things we do all day, and are not planned by anyone but the Holy Spirit. As we approach this Christmas season, pray and ask the Lord to use your life, even in those spontaneous moments, for his glory. Remember that Jesus is the reason for the season.
