

High School Ministry Reopening Plan

We are now open for Wednesday evening for socially distant youth services and we are so excited! Join us for a time of fellowship, worship, and the Word.

1. Service Information

We will be resuming our Wednesday night services with Summer Under the Stars! We ask that you observe social distancing, with six feet between other households, and please greet one another with a “holy wave.”

Service Times:

- Sunday 8:30 AM & 11 AM (Join us in zone D1)
- Wednesday 6:30 PM

2. Safety Guidelines

- **If you are not feeling well, please stay home.** We will be streaming our services live on our instagram <https://www.instagram.com/cccm.hsm/>
- **Households:** You are welcome to sit in groups with your household, but we ask that you remain a safe social distance of six feet from all other attendees.
- **Face Coverings:** Must be worn indoors at all times. We strongly encourage all in attendance to wear a face covering, regardless if you are indoors or outdoors, for the safety of those around you.
- **Sanitization:** Each surface will be sanitized by our sanitization team before and after our services.
- **Arrival Time:** We ask that you arrive no earlier than 6:30 PM to allow for us to properly sanitize all surfaces.
- **Checking In:** Look for Sofiah McKeown and the host team under the white EZ up at the edge of the grass to check in as soon as you arrive. Please check in with Sofiah she will have a computer to make sure each student is signed in for service.

3. Service Order

- **Worship:** We will begin our service around 7 PM with a time of worship.

- **The Word:** Pastor Aaron will be giving a 30 minute message following our time of worship.

- **Fellowship:** We will have a time of socially distanced fellowship between the students, where we may have a socially distant game.
